## About Shieldcoat

Shieldcoat is a second generation Australian family owned paint manufacturer, specialising in premium coatings for domestic and commercial Roofs, Driveways and other Concrete surfaces. The main manufacturing facility and head office is based in Brisbane with further manufacturing facilities on the Gold Coast and Perth. Our coatings have been used extensively all around Australia as well as in Europe, Asia and the Middle East for the past two decades.

To those in the know, Shieldcoat's name is synonymous with Quality and Innovation. Our multinational R&D team of formulators and paint chemists has a combined experience of more than a century!

When formulating our products, the R&D team ensures that it uses as much locally sourced content as possible, is the best quality possible regardless of cost, is easy to use and will stand the test of time. We remain committed to manufacturing environmentally friendly products.

Since our humble beginnings, more than 500,000 householders have had their roof restored using the Shieldcoat range of products. Wherever you are in Australia, you can be sure there is a Shieldcoat product suitable for your needs. All our coatings have been proven to withstand the Australia's diverse, unpredictable climate that makes quality coatings so important.

**We continually strive to be leaders of our field, not followers.**
